- (a) outside their actual or ostensible authority; or
- (b) in error, fraudulent, negligent, in breach of their fiduciary duties or criminal.

- 5.8 You agree not to make, and you release us from any liability to you under your right to make, any Claim against us for any Loss incurred or suffered by you which arise directly or indirectly due to us relying on instructions from or other communications from or acts or omissions by your Authorised Person (including your attorney).

6. ORDERS

- 6.1 You may from time to time place Orders with us to enter into Transactions. Subject to these Terms, we will execute your Orders with you as principal in accordance with your instructions.

We may at any time use, add and change filters within a trading system which prevent delivery

of Orders or execution of Orders. We will notify you of any refusal or limitation as soon as reasonably practicable, unless we are prevented by law or a direction from a regulatory authority from notifying you.

You acknowledge that Exchanges have a range of powers, including the power to cancel or amend a Transaction. This power can be exercised without your permission or our agreement and so may give rise to us cancelling or amending an Order due to an Exchange exercising its powers even though your Transaction issued by us is an over the counter Transaction with no interest in any Financial Product the subject of the Transaction and even though we might not have fully or even partly hedged our Transaction with you.

6.5 We will make reasonable efforts to effect any instructions to cancel or amend Orders as quickly as possible. If, however, an Order is

filled prior to a cancellation or amendment instruction being effected, you are obliged to accept the Transaction on the original terms prior to your amendment or cancellation instruction, unless the Transaction is itself cancelled or amended.

6.6 We may execute Orders for you even in circumstances if we or our associates:

- (a) hold a principal position or deal in the relevant Financial Products;
- (b) provide similar services to other persons in relation to the relevant Financial Products;
- (c) have material price sensitive information relating to the relevant Financial Products if the individuals processing your Order are prevented from knowing or taking into account such information (including, but not limited to, by reason of procedures known as “Chinese walls”); or

6.8 We and our related bodies corporate may enter into Transactions with you as principal, whether in respect of Financial Products able to be traded on a Financial Market or in respect of over the counter Transactions such as Derivatives or Foreign Exchange related Transactions. When permitted by law and the Rules, we or an associate may take the opposite position in a Transaction with you. Your Orders may match opposite Orders of another person who is our Client, and this may entitle us to receive commission or other benefits from both Transactions. Similarly,

because we deal as principal, then your Orders may match opposite Orders entered by us as principal and you authorise us and consent to us charging you the Transaction Fees and Finance Charges in respect of the Transaction provided by these Terms.

6.9 You are aware of and acknowledge the right of eToro Australia and its related bodies corporate, directors and employees, either on their own account or on behalf of other clients or persons, to deal in any Transaction or take the opposite position to you in Transactions, if permitted (or, if not expressly permitted, then if not prohibited) to do so by the Corporations Act, Applicable Laws and the Rules.

6.10 You acknowledge that we do not operate any discretionary accounts and we will, unless otherwise expressly provided by these Terms, only act on your instructions (including those given by your Authorised Person).

6.11 Unless otherwise specified in these Terms, all Orders will remain open until either cancelled by you or purged by the Online Service. We do not accept responsibility for reinstating lapsed Orders or for contacting you to seek new instructions.

6.12 If a security code or identifier changes, you are responsible for replacing all live and contingent Order codes with the new relevant security code or identifier. We will not be responsible for any live or contingent Orders with the incorrect security code or identifier.

6.13 You must not instruct us to submit an Order to enter into a Transaction which would breach or cause us or any other person to breach the Corporations Act, the Rules or any other Applicable Laws including, without limitation, any law or the Rules in relation to:

- (a) market manipulation, false trading, market rigging, fictitious transactions, black box trading, scalping, wash trading or matching of Orders;
- (b) insider trading;
- (c) short selling;
- (d) creating a disorderly market or otherwise prejudicing the integrity or efficiency of the market; or
- (e) misleading or deceptive conduct.

6.14 Your instructions to eToro Australia to enter into a Transaction, your Order to eToro Australia to enter into the Transaction and the Transaction remains valid and enforceable against you, without affecting your other liability to eToro Australia even if you (or your Authorised Person) are not authorised by your own rules (such as a corporate or trust constitution or an investment management agreement).

6.15 You agree not to make any Claim against eToro Australia for any Loss incurred or suffered by you which arises in connection with the exercise of any power by ASIC or by the ASX pursuant to the ASX Rules or by any other Exchange which directly or indirectly affects your Transaction, including by way of eToro Australia directly or indirectly, fully or partly hedging your Transaction (whether or not eToro Australia has given you a Confirmation in respect of any affected Transaction) except to the extent that the Loss incurred or suffered is caused by the negligence, fraud or breach of these Terms by eToro Australia.

7. ALLOCATION POLICY

- (l) you must notify us immediately if you become aware of any inaccurate information being transmitted through the Online Service including, for example, inaccurate content as to Orders, Transactions or Account balances; and

You will be solely responsible and liable for any duplicate instruction that you place.

8.15 You agree not to contest the validity or enforceability of any electronic communications between yourself (including your Authorised Person) and eToro Australia.

8.16 If a failure, interruption or malfunction of electronic communication between the parties prevents an Order from being placed, cancelled or amended then, without limiting clause **23**, neither party is liable to the other party for any Loss caused then by that failure, interruption or malfunction.

8.17 You acknowledge that all market data and information in relation to trading, volumes and pricing for a Financial Market provided through any Online Service may be proprietary information of the relevant Exchange or Financial Market or another person and any display, dissemination or other use of that information may be subject to restrictions imposed by the Financial Market or other person. You are responsible for complying with any such restrictions.

9. CONFIRMATIONS

9.1 We will, if required by Applicable Laws, give you a confirmation (**Confirmation**) in respect of each Transaction which eToro Australia enters into with you. 11. ETORO AUSTRALIA UNDERTAKINGS

- 11.1** eToro Australia will act honestly and exercise due care and diligence at all times in its performance of these Terms.
- 11.2** eToro Australia will use reasonable endeavours to execute your Orders, subject to these Terms.
- 11.3** Apart from any duties, undertakings, warranties or representations which are imposed or implied by law and which cannot be excluded, eToro Australia makes no undertaking, warranty or representation in relation to any service or information provided or made available to you in connection with these Terms. To the full extent permitted by law, eToro Australia excludes liability for all costs, expenses, damages and Losses (including consequential loss) arising in connection with such services or information, or these Terms (including, without limitation, liability for negligence).

12. FEATURES AND RISKS OF TRANSACTIONS

- 12.1** You acknowledge and understand that there are significant features and risks involved in Transactions, including:
 - (a) the gearing or leverage involved in investing in Financial Products means that a small Initial Margin payment can potentially lead to large losses for you, including more than all the Margin ever paid to eToro Australia;
 - (b) the geared nature of Transactions also means that acquiring and holding them can carry greater risks than directly investing in the Underlying Instrument which might not be geared, or, if is geared, effectively involves gearing of an underlying geared contract;
 - (c) a relatively small market movement can lead to a proportionately much larger movement in the value of your investment, and this can work against you as well as for you;
 - (d) over the counter Transactions are derivatives not made on any

- Exchange so might be considered to involve a greater risk than an exchange-traded derivative since there is no exchange market on which to Close Out an Open Position – you are only able to open and close your positions with us;
- (e) markets outside of Australia might involve different risks to Australian markets, so the potential for profit or loss from Transactions relating to a non-Australian market or denominated in non-Australian currency will be affected by fluctuations in foreign exchange rates;
- (f) it is possible to incur a loss if, after your acquisition of an investment, exchange rates change to your detriment, even if the price of the Underlying Instrument to which the Transaction relates remains unchanged;
- (g) you may sustain a total loss of the Margin that you deposit with or pay to us to establish or maintain a position and if the market moves against you, you may be required to pay substantial additional Margin at short notice but if you fail to do so within the required time, your investment position may be liquidated at a loss to you and you will be liable for any remaining deficit in your Account;
- (h) you will be required to maintain the Margin Cover, which might mean you must pay more Margin, even though we do not give Margin calls and even if you are not contactable;
- (i) under some trading conditions it may be difficult or impossible to liquidate a position, such as (but not limited to) at times of rapid price movement if the price rises or falls in one trading session to such an extent that trading in the underlying market is suspended or restricted;
- (j) if you trade in denominated currencies other than the Account currency you may lose money or value of the investment due to exchange rate fluctuations and that these losses may be in addition to any losses on the value of the Underlying Instrument relevant to the Transactions;
- (k) gapping, whereby a market price falls or rises without the opportunity to trade, can result in significant losses even when a stop loss has been put on because it may not be possible to transact at the nominated price if the market has gapped;
- (l) in some circumstances the Underlying Instrument may be halted, suspended from trading or have their quotation for trading withdrawn from an Exchange, or an index may be suspended and these factors might affect the value of your Transaction relating to those Underlying Instruments due to eToro Australia exercising its discretion to determine the fair value of them;
- (m) a market disruption may mean that you are unable to trade when desired or in the amounts and prices you desire, and you may suffer a loss as a result, including disruption due to government or regulatory decisions or announcements, the failure of a computer based trading or pricing system, fire or other exchange emergency or a regulatory body could declare an undesirable situation has developed in a particular currency, security or contract and suspend trading or adjust terms of prices or trading;
- (n) you may incur losses (including incurring fees and charges) that are caused by matters outside our control for example, a regulatory authority exercising its powers during a market emergency or other significant event may result in losses for the Client or a regulatory authority can suspend trading (for example in an Underlying Instrument) or alter the price at which a position is settled, which could also result in a loss to the Client; and

- (o) we have powers, and discretion to exercise those powers, without notice to you or giving you reasons, for cancelling Transactions or adjusting their prices or timing and, though we would exercise our powers in accordance with these Terms and our statutory duties, you may incur losses (including incurring fees and charges) and lose investment opportunities as a result of our exercise of our powers.

12.2 No advice or recommendation is provided by eToro Australia in relation to your Transactions unless expressly stated otherwise.

13. FEES, CHARGES AND COSTS

13.1 Any profit or loss net of any fees and charges (that is, the realised gain or loss) arising on Closing Out a Transaction will be credited or debited (as the case may be) against the Account Value, in the Account currency.

13.2 You owe us, and must pay to us or as we direct (in accordance with these Terms):

- (a) any Transaction charges including all Transaction commission, charges, fees, Margins, premia, settlement and clearing fees and charges, interest, default charges and Taxes (including GST but excluding eToro Australia's income tax or penalty tax and levies) and any other amounts due under these Terms on demand by eToro Australia in cleared funds or otherwise as required by these Terms;
- (b) a Transaction Fee for each Financial Product or Transaction (as the case may be) being the fee from time to time specified by eToro Australia to be the amount payable by you to eToro Australia in respect of each such Transaction;
- (c) any royalty or other fee which must be paid for the use of prices or information provided to you via access through the Online Service or otherwise by any Exchange;
- (d) (if applicable) a monthly access charge for the use of the Online Service provided by eToro Australia, as specified by eToro Australia from time to time;

- (e) the Finance Charge calculated as disclosed in the PDS, FSG, a supplementary disclosure document or in any other permitted way of notifying you, such as on eToro Australia's website or the Online Service, in the amount of the Finance Charge Adjustments from time to time;

- (f) Finance Charge Adjustments applicable to any Transaction or Account;

- (g) any fees, Taxes, stamp duty or other charges as may from time to time be levied on or in connection with any Transactions entered into with you; and

- (h) in respect of any unpaid amounts required to be paid under these Terms including, (without limitation) any amounts due as a result of your failure to pay interest on all such amounts denominated in Australian dollars at the Base Rate then generally applicable for debit amounts on Accounts plus a rate of interest per annum as reasonably determined by eToro Australia (but so that the total rate does not exceed generally prevailing rates for personal unsecured loans in comparable amounts), such interest to accrue daily from and including the due date to and including the date of its payment in full.

Guidance note: this is the rate of interest you pay if you default on making any payment to eToro Australia. It is not the rate for any Finance Charge Adjustment.

13.3 We owe you and must pay you (in accordance with these Terms) Finance Credit Adjustments applicable to any Transaction or Account from time to time, calculated as disclosed in the PDS, FSG, a supplementary disclosure document or in any other permitted way of notifying you, such as on eToro Australia's website or the Online Service.

13.4 Any amount or rate or formula which is to be specified by eToro Australia may be specified by a PDS, FSG, a supplementary disclosure document or in any other permitted way of notifying you, such as on eToro Australia's website or the Online Service. The amount of any fees and charges or other amounts payable by you to eToro Australia in respect of any Transaction will be set out in the Confirmation of that Transaction or the Online Service to the extent known at the time.

13.5 You agree that eToro Australia may:

- (a) debit your Account (on a monthly or any other basis) or deduct from the Trust Account and pay itself, without further reference to you:
 - (i) all administration fees, including but not limited to fees associated with returned cheques, payment processing, credit card fees, Short Message Service (SMS), debt collection and telephone transcript copies from your Account with eToro Australia during the full term of these Terms while you use such services; and
 - (ii) all fees, charges and royalties which you owe to eToro Australia;
- (b) withdraw from the Trust Account and pay ourselves the amount of any Transaction Fee, any administration fees, (including but not limited to credit card fees) you owe and the amount of Margin which you must pay to maintain the required Margin Cover;
- (c) withdraw from the Trust Account and pay ourselves any moneys to which we are entitled in accordance with these Terms (such as, but not limited to, Realised Losses); and
- (d) deduct from the Account any amount reimbursable in accordance with these Terms.

You agree that any delay in, or partial exercise of any of the above rights is not a waiver or abandonment of those powers.

13.6 eToro Australia may receive commissions and other benefits from other parties in relation to Transactions eToro Australia enters with you or in connection with other services provided to you. eToro Australia is entitled to retain such commissions and benefits.

13.7 If you have been referred to us or on behalf of a broker or other third party, that broker or third party may receive benefits in the form of a commission, rebate or other payment or benefit from us.

13.8 Unless otherwise agreed, the terms of any amounts payable by you under these Terms are stated exclusive of GST. If GST is payable on a taxable supply made by eToro Australia under, by reference to, or in connection with these Terms, you must also pay the amount of GST payable in respect of that taxable supply. eToro Australia will when required by law and as far as practicable state in Confirmations (or Account statements, if applicable) the amounts as GST-inclusive. eToro Australia will manage any credit granted to it for any GST refund, input credit or similar tax credit in accordance with its policy from time to time.

Owing to the complexity, delays and changes in laws and administration of such tax refunds and credits from time to time, eToro Australia is not obliged to provide credits or other benefits to each client if those benefits cannot reasonably be allocated to respective clients. eToro Australia endeavours to apply a policy for such adjustments by which it has no net benefit over time, having regard to the timing, nature and amounts of refunds and credits, the basis on which they are provided to eToro Australia and the direct and indirect costs to eToro Australia in providing the Online Service and relevant transactions through it. Terms which have a defined meaning in the A New Tax System (Goods and Services Tax) Act 1999 have that meaning in this document.

13.9 The amounts of or basis of calculating the fees, commissions, charges and credits referred to in this clause 13 will be as notified from time to time in writing by eToro Australia, either by way of a PDS, posting on the Online Service (including by way of Transaction prices), notification to your contact address, posting to eToro Australia's website or as otherwise agreed with you or permitted by these Terms.

13.10 If:

- (a) you are required to make a deduction or withholding in respect of Tax from any payment to be made; or
- (b) eToro Australia is required to pay any Tax (other than income tax) in respect of any payment made in relation to these Terms at your request,

then you:

- (c) indemnify eToro Australia against the Tax; and

- (d) agree to pay to eToro Australia an additional amount to ensure eToro Australia receives a net amount (after payment of any Tax in respect of each additional amount) that is equal to the full amount eToro Australia would have received had a deduction or withholding or payment of Tax not been made.

13.11 You must reimburse eToro Australia for all fees (both direct and indirect) and expenses charged in connection with any Transaction (other than Tax on the income of eToro Australia) and for all costs and expenses incurred by eToro Australia in implementing these Terms and in enforcing its rights under these Terms (including its legal costs of external or internal legal advisers on a full indemnity basis).

13.12 Open Positions will be charged a Finance Charge Adjustment or will be entitled to receive a Finance Credit Adjustment, depending on the Transaction chosen by you. These accrue (and so are calculated) on a second-by-second basis as determined by eToro Australia (unless otherwise notified by you). The accrued charges or credits will be applied to an Account at any time chosen by eToro Australia. This will usually be at the Calculation Time and at the end of Transaction, but it may also be (without limitation):

- (a) either immediately at the time of entering into the Transaction;
- (b) at day's end, or month's end;
- (c) at a rollover of the Transaction; or
- (d) at any other time after entering into the Transaction.

The Online Service will display whichever of a Finance Charge Adjustment or Finance Credit Adjustment applies.

13.13 You remain liable to pay the Finance Charge Adjustment even though:

- (a) the charge may be called other things from time to time, even across different Accounts, different Financial Products or on the Online Service at the same time;
- (b) the charge is not stated on a statement for an Account or Confirmation for a Transaction;

- (c) the charges differ according to how the Transaction was made;

- (d) the charges differ according to the amount of the Account, regardless of the amount or value of the Account;

- (e) the rate is expressed or inferred to be an annual rate but is applied and calculated by the second or any other time interval proportional to the annual rate;

- (f) the Finance Charge Adjustment is first applied by way of posting the amount to the Account so that you become liable only for any net debit amount of the Account (or we owe you the net credit amount of the Account);

- (g) we may owe from time to time Finance Credit Adjustments (which are posted to the Account);

- (h) different rates apply at the same time to other clients' accounts;

- (i) the charge is applied at rollover but is not levied or enforced until termination of the Transaction;

- (j) the Transaction is denominated in a currency other than Account currency; and

- (k) the rates will be as determined by eToro Australia in its absolute discretion and you might not have prior notice of the current rate.

13.14 You acknowledge that you are responsible for your own legal costs associated with or arising from (at any time) entering into these Terms and for all Taxes and expenses incurred by you in connection with these Terms, including any Transaction made under it.

13.15 All payments by you under these Terms are:

- (a) to be made without any set-off by you, counter claim or condition made by you and without you making any deduction or withholding for any Tax or any other reason unless the deduction or withholding is required by applicable law or the set-off arises by express application of these Terms; and

(b) payable in any currency that eToro Australia may reasonably require or determine.

13.16 eToro Australia notify you of any change in its fees and charges or other amounts payable by these Terms in accordance with Applicable Laws except rates (including, but not limited to, rates of the Finance Charge Adjustments and Finance Credit Adjustments) will change at any time, as available via the Online Service.

If there is ever any inconsistency between these Terms and applicable laws, eToro Australia will always comply with Applicable Laws and not these Terms and will not be liable to Client for that.

14.2 If eToro Australia pays your funds to another person at your request, eToro Australia is not liable to you for the performance by the other person who receives the benefit of the payment of your funds. Without limitation, eToro Australia is not obliged to enquire into:

- (a) the use of those funds by the third party;
- (b) any persons to whom the third party pays all or any of these funds;
- (c) the solvency of any of those persons;
- (d) the compliance by any of those person with the Corporations Act, Applicable Laws and Rules;
- (e) whether any of those persons hold any part of these funds on any nominee, segregated account, trust or any other basis for your protection or security.

14.3 You agree that eToro Australia is entitled to all interest earned on moneys credited to any Trust Account unless you and eToro Australia have otherwise agreed in writing.

14.4 The moneys to which you are entitled under these Terms and which are under the control of eToro Australia will be paid directly to you and not to any third party, unless you have otherwise instructed us to do so and we agree. You must provide relevant account details for

payment instructions in respect of payments to be made by eToro Australia to you. Although eToro Australia will take reasonable steps to comply with your payment instructions, eToro Australia accepts no responsibility for any failure to comply with those instructions and, if such failure occurs, the relevant moneys will continue to be held by eToro Australia in accordance with the Corporations Act and Applicable Laws.

14.5 You authorise and direct eToro Australia to withdraw any or all moneys to which you are otherwise entitled in any Trust Account maintained by eToro Australia to meet any liability, obligation or other Loss which you owe to eToro Australia including to pay for your Financial Products, an amount in respect of any Realised Loss on your Account, Margin or Margin Cover).

14.6 When you pay moneys to eToro Australia in connection with a Transaction, you are also directing those moneys to be paid into a Trust Account and those moneys will remain in there until withdrawn by eToro Australia to pay you amounts to which you are entitled to receive or to pay for amounts to which eToro Australia is entitled including to pay for your Financial Products (including, without limitation an amount in respect of any Realised Loss on your Account). If there has been a Realised Loss on your Account after eToro Australia re-values your Account, eToro Australia is authorised by these Terms to withdraw the equivalent amount of that Realised Loss from the Trust Account to pay eToro Australia an amount to which eToro Australia is entitled.

14.7 If eToro Australia determines that your Account has been inactive for a period determined by eToro Australia, you authorise eToro Australia to apply a charge to your Account (see the Online Service) and ultimately close your Account and then withdraw any Withdrawable Funds from the Trust Account to be paid into your nominated bank account.

14.8 You acknowledge that eToro Australia is entitled to be paid from those moneys to which you are otherwise entitled in any Trust Account maintained by eToro Australia an amount sufficient to meet any liability, obligation or other Loss which you owe to eToro Australia.

14.9 You acknowledge that from the time any funds withdrawn from the Trust Account in connection with your Transactions:

- (a) you lose the protections given to a Trust Account of that kind;
- (b) you are an unsecured creditor of eToro Australia for its obligations on your Transactions; this includes exposure as an unsecured creditor for payment to you of the net Account balance (if any) after closing all your Open Positions;
- (c) the funds are no longer held beneficially for you.

14.10 If you pay moneys into any Trust Account maintained by eToro Australia in anticipation of you creating and meeting any liability, obligation or other Loss which you will owe to eToro Australia including to pay for your Financial Products (including payment for Margin), by these Terms you authorise and direct eToro Australia to withdraw those moneys to pay eToro Australia for any liability which later arises. Your payment into the Trust Account will be deemed to be subject to this direction unless you tell eToro Australia (in writing) otherwise. You agree that these Terms are a sufficient written direction by you for the purposes of authorising and directing eToro Australia to make the withdrawals from the Trust Account on these Terms to pay the amounts which you owe eToro Australia, subject to any other written direction you give eToro Australia from time to time which eToro Australia accepts. Despite your direction, you agree that eToro Australia need not immediately, or at any time, fully, withdraw all or any of your moneys from the Trust Account but eToro Australia will do so consistently with its PDS and its policies from time to time.

Guidance note: Nothing in this clause authorises eToro Australia to withdraw your client moneys to use to hedge your Transactions.

14.11 You acknowledge and agree that if there has been a Realised/Unrealised Profit on your Account after eToro Australia re-values your Account, eToro Australia will pay into or hold sufficient funds in the Trust Account and credit your balance in the Trust Account as Margin to reflect the adjustment for the Realised/Unrealised Profit so that those funds will be retained there for your benefit until dealt with in accordance with these Terms.

14.12 You acknowledge and agree that eToro Australia may revalue your Account at any time and from time to time but is not obliged to revalue your Account on any particular frequency or at any particular time, so eToro Australia is not obliged to commit to determine whether there has been any Realised/Unrealised Profit or Realised/Unrealised Loss on your Account at any particular time or from time to time.

14.13 All currency exchange risks regarding any payment instruction or any Order or Transaction entered into by you with eToro Australia is your responsibility. Any conversion from one currency to another required to be made for performing or executing any payment instruction, Order or Transaction may be effected by eToro Australia in the manner and at the time and at the exchange rates that eToro Australia, in its absolute discretion, decides.

15. MARGIN COVER

15.1 You agree and acknowledge with each of the following:

- (a) Margin Cover refers to the amount paid or payable to eToro Australia as it requires (to protect against your liabilities on Transactions) and which is credited to your Account. The minimum amount of the Margin Cover is determined by eToro Australia in its absolute discretion.
- (a) A Margin payment is the amount you pay eToro Australia for crediting your Account as Margin Cover.
- (b) The time for your payment to maintain Margin Cover is of the essence.
- (c) You must maintain at least the amount of Margin Cover required by eToro Australia whether or not eToro Australia gives any notice to you to make those payments or you have actual notice of the required amount. The required amount of Margin Cover can change continuously and can change automatically, including over the week-end or other non-trading days. Your obligation to maintain at least the required amount of Margin Cover is continuous.
- (d) You must ensure that for so long that you have an Open Position, the Margin Cover must always remain positive. If

not, your Open Position may be Closed Out by eToro Australia without prior notice to you.

- (e) Your obligation to maintain Margin Cover arises at the time the Transaction is executed.
- (f) It is solely your responsibility to monitor and to satisfy all Margin Cover requirements.
- (g) A Margin payment is credited by eToro Australia at the time cleared funds have been received into the Trust Account and eToro Australia has applied the payment to your Account or such other time as allowed by eToro Australia, so a Margin Cover requirement for an OTC Contract or other OTC Transaction issued by eToro Australia is not satisfied unless and until your payment is received in cleared funds into the Trust Account and applied to your Account by eToro Australia.
- (h) Without limiting any other right of eToro Australia, in respect of any Financial Product issued to you by eToro Australia acting as principal to you, you authorise and direct, by these Terms, that all of the funds which you deposit into the Trust Account be withdrawn and paid to eToro Australia for its own account, towards satisfying your obligations to pay Transaction Fees, Finance Charges, to maintain Margin Cover, to pay for Realised Losses, and to pay all other amounts owing under these Terms, even if:
 - (i) your payment (after deduction for Transaction Fees, Finance Charges and other amounts owing) is in an amount less than or more than the amount required to maintain the total amount of required Margin Cover;
 - (ii) the required amount of Margin Cover reduces after your payment to a Trust Account;
 - (iii) there is any delay between the time you make the payment to the Trust Account and when eToro Australia makes the withdrawal;

(iv) you purport to withdraw your authority and direction but you still have at that time an obligation to eToro Australia to maintain an amount of Margin Cover which has not been satisfied; or

(v) you do not tell us your intended use of the Margin Cover which will be directed to your Account after your payment or you change your mind after you tell us and you deal in Financial Products for a lesser value than you told us or you do not deal.

- (i) Your liability in respect of Margin requirements is not limited to the amount, if any, initially paid to eToro Australia for your Account. You are responsible to pay any deficit owing to eToro Australia after Close Out of a Transaction and if you default in payment of such deficit, eToro Australia may pay the deficit out of the Account or realise any Financial Products held by eToro Australia and apply the amounts or proceeds against that deficit and you are responsible for the full and prompt discharge of the deficit (which exceeds the value of the Account) by making payment in full to eToro Australia immediately when that deficit arises.

15.2 eToro Australia may (without notice to you) Close Out, but will not be obliged to Close Out or to attempt to Close Out, some or all Open Positions, at that time or any later time as eToro Australia determines (whether in its discretion or by automatic trading platform management) if:

- (a) your Account Value falls below the Margin Closeout Level; or
- (b) you fail to maintain the required Margin Cover; or
- (c) at any time, and from time to time, eToro Australia determines that the value of all of your Open Positions (and not taking into account any cash balance in your Account) represents a substantial net unrealised loss to you such that, in eToro Australia's belief, the continued trading, or failure to Close Out, one or more of your Open

Positions will or is likely to materially prejudice your Account Value.

16. ROLLING OVER OF OPEN POSITIONS

16.1 In respect of each Open Position, subject to:

- (a) prior Close Out of that Open Position;
- (b) any express terms of the Transaction; or
- (c) the express agreement of eToro Australia to settle that Open Position,

eToro Australia is by these Terms instructed:

- (d) to vary the Open Position (in which case it will be deemed to be a new Transaction) so that its settlement date is deferred to a Business Day to be agreed between eToro Australia and you (and if there is no agreement by the Calculation Time on the Business Day immediately prior to the then applicable settlement date as agreed previously, it will be the following Business Day); and
- (e) to Close Out the Open Position and enter into a new Transaction for the same Underlying Instrument and being the same bought or sold position except that the settlement date is to be one Business Day later and adjusted for any interest differential.

17.5 To the extent that eToro Australia would be obliged (but for this clause) to give you a statement recording any advice to you, then to the extent permitted by Applicable Laws:

- (a) you consent to receiving any such written statement of advice after having been given the advice;
- (b) you consent to receiving any such written statement of advice after making the Transaction but within the period permitted by law; and

This clause does not apply to the extent that consideration for a supply is expressly stated to you to be GST inclusive. Terms which have a defined meaning in the A New Tax System (Goods and Services Tax) Act 1999 have that meaning in these Terms.

23.4 You acknowledge that you are responsible for your own legal costs associated with entering into these Terms and for all Taxes and expenses incurred by you in connection with these Terms, including any Transaction made under it.

then you:

- (c) indemnify eToro Australia against the Tax; and

- (d) agree to pay to eToro Australia an additional amount to ensure eToro Australia receives a net amount (after payment of any Tax in respect of each additional amount) that is equal to the full amount eToro Australia would have received had a deduction or withholding or payment of Tax not been made.

23.7 eToro Australia provides the Account and enters into all Transactions with you on the basis that you will not owe eToro Australia more than the amounts available in your Account. This may be referred to as a “no negative balance” assurance or by other names or descriptions from time to time. This means that you will not be liable to pay eToro Australia for any shortfall below a nil balance in your Account that would arise but for this clause. You acknowledge and agree that this limit on your liability does not otherwise affect your payment obligations, our rights of set-off and netting, your warranties, representations and undertakings and our rights arising on your default to make discretions, to exercise our discretions and to take action at any time and from time to time as set out in these terms.

24. DEFAULT

(b) each Foreign Exchange Transaction is required by these Terms and is expected by you and us to be disposed of by being Closed Out and the Realised/Unrealised Profit or Realised/Unrealised Loss arising from that, posted to your Account in full settlement of your respective obligations in relation to those Foreign Exchange Transactions;

(c) the following prevail in the order listed below such that if the higher-ranking obligations are for any reason held by a court to be unenforceable, invalid or otherwise incapable of being applied, then the next ranking obligations apply:

(i) first, the settlement of Foreign Exchange Transactions by way of Closing Out those Foreign Exchange Transactions and applying the resulting Realised/Unrealised Profit or Realised/Unrealised Loss (as the case may be) to your Account, in full settlement of our respective obligations in relation to those Foreign Exchange Transactions;

(ii) secondly, the settlement obligations of each Foreign Exchange Transaction are set off

so that only the single net amount of the difference arising from that set-off is the only amount owing as between us and the amount is applied to your Account (as a credit or debit amount, as the case requires) in full settlement;

- (iii) thirdly, the respective settlement amounts owing by you and us on each Foreign Exchange Transaction are applied to your Account (as a credit or debit amount, as the case requires) in full settlement);
 - (iv) fourthly, each payment obligation on each Foreign Exchange Transaction is applied to your Account (as a credit or debit amount, as the case requires) in full settlement); and
 - (v) fifthly, each payment obligation on each Foreign Exchange Transaction accrues and is enforceable on and from termination of the Foreign Exchange Transaction.
- (d) There is no definitive term attached to a Foreign Exchange Transaction, such a contract will continue until the Closing Date.
- (e) Anything eToro Australia is permitted to do in accordance with this Schedule may be done in its absolute discretion, and any opinion or view required to be formed by eToro Australia may be formed in its absolute discretion.
- (f) A Position will be Closed Out without a physical exchange of the Base Currency for the Term Currency and references in the definition of Position to an exchange of currency and settlement and in the definitions of Base Currency and Term Currency to amounts to be received by you or provided by you under a Position will be construed as if that Position were to be unwound by delivery.
- (g) Notwithstanding it has an agreed Value Date, each Position continues indefinitely until it is unwound by delivery or by being Closed Out and references in the definitions of Position and Value Date to settlement

will be construed as if that Position were to be unwound by delivery.

4. Entering into Positions

- (a) On any Business Day you may request eToro Australia by the Online Service or otherwise to quote:
 - (i) the rate at which you may enter a Position and the Initial Margin required by nominating the amount; or
 - (ii) the amount and currency of either the Base Currency or the Term Currency, the currency against which it is to be exchanged.
- (b) Immediately upon receiving the quote, you may by the Online Service or otherwise instruct eToro Australia to arrange the entry into by you of a Position equivalent to that for which the quote was sought. Receipt by eToro Australia of your instruction will constitute an offer by you to eToro Australia to enter into such a Position.
- (c) eToro Australia is under no obligation to accept your offer to enter into a Position, and without limitation, is not obliged to accept your offer to enter into a Position:
 - (i) if you have exceeded or would exceed a limit applying to you as notified by eToro Australia; or
 - (ii) until eToro Australia has received the Initial Margin required in respect of that Position into the Trust Account (or your Account has sufficient Margin Cover), in cleared funds.
- (d) The Initial Margin required in respect of a Position will be payable prior to eToro Australia accepting your offer to enter a Position.
- (e) If eToro Australia accepts your offer to enter into a Position, eToro Australia may issue to you a written confirmation (or it may publish a written Confirmation available to you in your Online Service) of that Position promptly after it has been entered into, in the form of a deal confirmation, but failure by eToro Australia to issue or to publish a

confirmation will not prejudice or affect that Position. eToro Australia will not have any liability as a result of a failure to issue or to publish a deal confirmation. If eToro Australia decides not to accept your offer to enter into a Position, eToro Australia will advise you of that decision as soon as is practicable, subject to Trading Conditions. You may not take any delay, regardless of how that delay arose, as an indication that eToro Australia has accepted your Order.

- (f) You undertake to examine each Confirmation immediately upon receipt (or publication) and unless within 24 hours of issue of a confirmation you notify eToro Australia of any disputed detail in the confirmation, you agree that the contents of the confirmation, in the absence of manifest error, will be conclusive evidence of the executed deal. Upon receipt within that 24 hours of written notice as to a disputed detail, eToro Australia will investigate the matters disputed and you must co-operate with eToro Australia in good faith to resolve the dispute. You must, notwithstanding any such dispute, continue to satisfy your obligation to maintain Margin Cover in respect of that Position as if the details contained in the confirmation were correct and not the subject of dispute.

- (g) eToro Australia may, in its absolute discretion, limit the value of Positions you may have outstanding under these Terms:

- (i) beyond which if you decide to enter into any further Positions, you must seek and obtain approval from eToro Australia; and
- (ii) beyond which you may not enter into any further Positions.

- (h) eToro Australia may vary this limit at any time by notice to you.

5. Close Out of Positions

- (a) Without affecting clause 6 of the Terms (regarding Orders), eToro Australia may from time to time permit you to give eToro Australia

notice of your request to have all or any of your Positions Closed Out. eToro Australia, from time to time, may set limits and conditions on accepting your notice (whether or not it complies with the requirements for an Order). Following receipt of such a notice eToro Australia may at a time it chooses in its absolute discretion, enter into a matching opposite Position to Close Out those Transactions. Without limiting eToro Australia's discretion you acknowledge that this may occur as soon as practicable after the later of:

- (i) receipt from you of such notice; and
- (ii) any time and date specified in such notice at which you request the Close Out to occur.

- (b) The difference (if any) between the amount of the Base Currency under the matching Position and the amount of the Term Currency under the original Position if positive, will be a "Realised Profit" and, if negative, will be a "Realised Loss".

- (c) The Closing Out of a Position in accordance with this Schedule will constitute a complete discharge of all obligations of eToro Australia and has the effect of immediately cancelling the Position so that the only obligations that continue in respect of the Position are those provided for under this Schedule.

6. Settlement of Closed Out Positions

- (a) When a Position is Closed Out in accordance with this Schedule which:

- (i) results in a Realised Profit, eToro Australia will credit your Account in an equivalent amount to the Realised Profit; or

- (ii) results in a Realised Loss, eToro Australia will deduct the amount of the Realised Loss from the funds you have paid into the Trust Account (or if that is insufficient, debit the amount from your Account).

- (b) If there is then sufficient Margin any amount owing by you under this Schedule may be settled in whole or

in part by debiting your Account with eToro Australia.

- (c) If you have requested payment of any money owed to you under this Schedule, eToro Australia will (in its discretion) deduct that money from your Account and pay it to you electronically or in such other manner as may be agreed between eToro Australia and you.
- (d) eToro Australia may set off any money owed to you under this Schedule against any money owed by you in respect of any or all Transactions of any kind (whether or not mentioned in this Schedule). If such a set-off is made, references in this Schedule to Realised Profit and Realised Loss will be read as including the net amount of Realised Profit or Realised Loss (as the case may be) remaining after the set-off.

7. Revaluations

eToro Australia may at any time revalue any or all Positions. Such revaluation will be effected in the following manner:

- (a) In relation to each Position, eToro Australia will (in its discretion) set the amount of the Term Currency and the amount of the Base Currency.
- (b) If the amount calculated in accordance with sub-clause 7(a):
 - (i) is greater than the amount of the Term Currency under the Position, then the difference will represent an Unrealised Profit; and
 - (ii) is less than the amount of the Term Currency under the Position, then the difference represents an Unrealised Loss; and
- (c) the sum of each Unrealised Profit will be the "Unrealised Profits" and the sum of each Unrealised Loss will be the "Unrealised Losses".

Schedule 4

CONTRACTS FOR DIFFERENCE

1. Introduction

1.1 The following terms will apply to you, and you agree to be bound by them, each time you place an Order with eToro Australia to deal in a Contract for Difference (as defined in clause 2 of this Schedule 4). Schedule 3 also applies to, and prevails over, this Schedule 4 if your Order or Transaction relates to a Contract for Difference which is a Foreign Exchange Transaction.

1.2 Any term not defined in this Schedule has the same meaning given to it in clause 2 of the Terms.

2. Interpretation

In this clause, the following terms have the following meanings:

Adjustment Event means, any event in respect of which eToro Australia considers in its absolute discretion an adjustment to the terms of a Contract for Difference is appropriate including, for example:

- (a) if the Reference Asset is a share, debenture, unit or other security (or depositary receipt of any kind in respect of any of them)– a bonus issue for combination of rights issued, rights issue, stock split, share or other capital consolidation, security reclassification or sub-division return of capital, buy back, special dividend (however legal constituted), *in specie* distribution, takeover, scheme of arrangement or similar event or other corporate action event in respect of the security, whether or not the event triggers an adjustment to any Exchange traded derivative of it,
- (b) a distribution to existing holders of additional shares or other securities or other Financial Products granting them the right to receive dividends or other proceeds equally and proportionately with payments made to holders of the underlying instruments; or instruments, rights or warrants granting the right to a distribution of shares or to purchase, subscribe, or receive shares, in any case for payment (in money cash or money's worth) at less than the

prevailing market price per share as determined by eToro Australia;

- (c) an event that has a dilutive or concentrative effect on the market value of the shares;
- (d) if the Reference Asset is an index, a substantial adjustment to the composition of the index outside its own terms allowing for adjustments or weightings; a failure to publish the index or a suspension or cancellation of the index; and
- (e) if the Reference Asset is a Derivative which can be traded on a Financial Market – any event in respect of which the operator of the Financial Market makes an adjustment to the terms of the Derivative.

Close of Business means the normal time of close of trading of the relevant Exchange.

Close Out, in relation to an OTC Transaction, means discharging or satisfying your obligations to eToro Australia under the OTC Transaction and this includes:

- (a) by delivering the amount or value of the Underlying Instrument (including a dollar multiple of an index) required in accordance with the terms of the OTC Transaction; or
- (b) as a result of the matching up of the OTC Transaction with an OTC Transaction of the same kind under which you have assumed an offsetting opposite position;
- (c) adjusting for fees and charges.

Closing Date means the date on which the OTC Transaction is agreed to be Closed Out, or earlier, if actually or if deemed to be Closed Out in accordance with the Terms or the Underlying Instrument expires according to its terms or the Rules governing its contract specifications.

Closing Price means the price of the Contract for Difference at the Closing Date.

Closing Value means the value determined by eToro Australia by multiplying the number of Contracts for Difference by the price (or, if an index, the level) of the Contract for Difference at the Closing Date.

Contract for Difference means a Financial Product, being a Derivative, which derives its value from one or more Reference Assets, which may also be called a “CFD” or “eToro Australia CFD” on the Online Service or in a PDS.

Contract Value means the face value of the Contract for Difference, and is calculated by eToro Australia by multiplying the applicable price (or, if an index, the level) of the Contract for Difference by the number of Contracts for Difference.

Hedge Contract means a contract between eToro Australia and a Hedge Counterparty on the same, or substantially similar, terms as the Contract for Difference (including if one or more Contracts for Difference from you and other clients which in aggregate correspond with the Hedge Contract).

OTC Transaction means a Transaction in respect of one or more Contracts for Difference.

Reference Asset means an Underlying Instrument, as determined by eToro Australia and, in the case of an OTC Transaction, the Underlying Instrument specified in the Confirmation. The Reference Asset can refer to an index, in which cases, references in these Terms must be applied and interpreted with such changes as necessary to reflect an index instead of a Financial Product.

3. Acknowledgements

In these Terms you acknowledge and agree to the following in favour of eToro Australia (and eToro Australia is bound by the following):

- (a) OTC Transactions have enforceable terms for payment by you to us or us to you even though each OTC Transaction is required by these Terms to be cash settled (or netted) with no physical exchange of the Underlying Instrument;
- (b) each OTC Transaction is required by these Terms and is expected by you and us to be disposed of by being Closed Out and the Realised/Unrealised Profit or Realised/Unrealised Loss arising from that, posted to your Account in full settlement of your respective obligations in relation to those OTC Transactions;
- (c) the following prevail in the order listed below such that if the higher-

ranking obligations are for any reason held by a court to be unenforceable, invalid or otherwise incapable of being applied, then the next ranking obligations apply:

- (i) first, the settlement of OTC Transactions by way of Closing Out those OTC Transactions and applying the resulting Realised/Unrealised Profit or Realised/Unrealised Loss (as the case may be) to your Account, in full settlement of our respective obligations in relation to those OTC Transactions;
 - (ii) secondly, the settlement obligations of each OTC Transaction are set off so that only the single net amount of the difference arising from that set-off is the only amount owing as between us and the amount is applied to your Account (as a credit or debit amount, as the case requires) in full settlement;
 - (iii) thirdly, the respective settlement amounts owing by you and us on each OTC Transaction are applied to your Account (as a credit or debit amount, as the case requires) in full settlement);
 - (iv) fourthly, each payment obligation on each OTC Transaction is applied to your Account (as a credit or debit amount, as the case requires) in full settlement); and
 - (v) fifthly, each payment obligation on each OTC Transaction accrues and is enforceable on and from termination of the OTC Transaction; and
- (d) there might be no definitive time to the life of a Contract for Difference, so such a contract will continue until the Closing Date (including when the Closing Date occurs by reason of the Underling Instrument expiring).

4. Opening and closing OTC Transactions

- 4.1 All OTC Transactions are entered into between you and eToro Australia as principal. The acquisition of a Contract for Difference involves entering into, or opening, a Contract for Difference. The disposal of a Contract for Difference requires Closing Out an open OTC Contract.
- 4.2 eToro Australia will from time to time state the prices or values at which it may enter into an OTC Transaction with you, either to open or to Close Out an OTC Transaction. If you wish to enter into an OTC Transaction you may submit an Order to eToro Australia (including by Online Service). eToro Australia is not bound to enter into any OTC Transaction with you and also may state another price or value at which it may deal with you.
- (a) You may request on any given Business Day eToro Australia to quote a price at which eToro Australia may be prepared to enter into an OTC Transaction. You agree to and acknowledge that a price quotation pursuant to this request does not constitute an offer to enter into a new or close an existing OTC Transaction.
 - (b) Upon receiving the quote from eToro Australia, you may offer to enter into an OTC Transaction with eToro Australia at the price quoted by eToro Australia.
 - (c) eToro Australia is not obliged to accept your offer to enter into an OTC Transaction and, without limitation, is not obliged to accept your offer to enter into an OTC Transaction:
 - (i) if you have exceeded or would exceed a pre-determined limit imposed on you under clause 4.2(g) below; or
 - (ii) until eToro Australia has received from you the Initial Margin required in the form of cleared funds or your Account has sufficient Margin Cover to enter into the respective OTC Transaction.
 - (d) The Initial Margin required to enter into an OTC Transaction (or the amount of required Margin Cover), if not already received from you, will be

payable to eToro Australia upon acceptance by eToro Australia of your offer to enter into the OTC Transaction.

- (e) If eToro Australia accepts your offer to enter into an OTC Transaction, eToro Australia will issue to you an electronic Confirmation of the OTC Transaction entered into shortly after it has been entered into. Failure by eToro Australia to issue a Confirmation will not prejudice or affect the relevant OTC. eToro Australia will not bear any liability whatever resulting from the failure to issue a Confirmation. eToro Australia will promptly advise you if eToro Australia decides not to accept your offer to enter into an OTC Transaction.
- (f) You agree to examine each Confirmation immediately upon receipt and you agree that the contents of the Confirmation, in the absence of manifest error, will be conclusive evidence of the executed deal, unless within 24 hours of issue of a written Confirmation you notify eToro Australia of any disputed detail in the Confirmation received by you. Upon receipt of written notice within 24 hours of a disputed Transaction, eToro Australia will investigate the dispute and in co-operation with you must endeavour to resolve the dispute in good faith. Notwithstanding any such dispute, you must continue to satisfy your obligations to maintain Margin Cover in respect of the Contract for Difference as if the Confirmation was correct and the details contained in the Confirmation were not the subject of dispute.
- (g) eToro Australia may, in its absolute discretion, limit the value of Contracts for Difference you may have outstanding under these Terms. If you wish to enter into any further Contracts for Difference, you must seek and obtain approval from eToro Australia, beyond which you may not enter into any further OTC Transactions whatever.
- (h) eToro Australia may vary the limit imposed at any time in its absolute discretion.

4.3 If eToro Australia enters into an OTC Transaction with you for the acquisition of one or more Contracts for Difference:

- (a) eToro Australia will issue to you a Confirmation in respect of the OTC Transaction setting out, among other things, the number of Contracts for Difference acquired and the amount or amounts which you are required to pay, or are entitled to receive, in connection with the acquisition of the Contract for Difference; and
- (b) you or eToro Australia (as applicable), must pay the relevant amount referred to in paragraph (a) by the time specified in the Confirmation.

4.4 If eToro Australia enters into an OTC Transaction with you for the disposal of one or more Contracts for Difference (by way of Closing Out that contract):

- (a) eToro Australia will issue to you a Confirmation in respect of the OTC Transaction setting out, among other things, the number of Contracts for Difference disposed of and the amount or amounts which you are required to pay, or are entitled to receive, in connection with the disposal of the Contract for Difference; and
- (b) you or eToro Australia (as applicable) must pay the relevant amount referred to in paragraph (a) by the time specified in the Confirmation or Trading Conditions, subject to this Schedule.

4.5 All communications, notices, offers, statements and Orders for Contracts for Difference must be made by an Online Service unless eToro Australia expressly agrees that they may be made by telephone or otherwise.

5. Settlement of Difference

- (a) eToro Australia may determine the Contract Value of the OTC Transaction as at any time and from time to time (including, without limitation, as at the Close of Business on each Business Day or the Calculation Time or each second during all or any part of each Business Day).
- (b) If the Contract Value determined by eToro Australia in accordance with clause 5(a) **above is** higher than the Contract Value previously determined

by eToro Australia, then the Short Party must pay to the Long Party the difference.

- (c) If the Contract Value determined by eToro Australia in accordance with clause 5(a) **above is** lower than the Contract Value previously determined by eToro Australia, then the Long Party must pay to the Short Party the difference.
- (d) In order to determine the Contract Value on which the OTC Transaction is entered into, the Contract Value will be determined by eToro Australia taking into account the Underlying Instrument Price at which eToro Australia and you agreed to enter into the OTC Transaction.
- (e) If eToro Australia determines that the Contract Value of a Contract for Difference cannot be determined in accordance with clause 5(a) **above** for any reason, the Contract Value at Close of Business will be the value determined by eToro Australia in its sole discretion.
- (f) Without limiting clause 5(a) if at any time trading on an Exchange is suspended or halted in any Underlying Instrument, eToro Australia will, when determining the Contract Value, at its discretion consider (but is not limited to) the last traded price before the trading suspension or halt.

6. Dividend Payment and Receipt

- (a) If the issuer of the Reference Asset makes a dividend in respect of the Reference Asset, eToro Australia has discretion whether to make an adjustment for an amount of the weighted proportion of the dividend, being an amount to be credited to your Account in respect of your long positions and debited from short positions. If eToro Australia makes the adjustment, ordinarily the Long Party will be credited with an amount equal to the gross unfranked amount of any dividend payable to the holder of the Underlying Instrument (as determined by eToro Australia) and the Short Party will ordinarily be debited with an amount equal to the gross unfranked amount of any

dividend payable to the holder of the Underlying Instrument (as determined by eToro Australia).

7. Closing out a Contract for Difference

- (a) At any time you may give eToro Australia notice of your intention to close any Contract for Difference (whether in whole or part) by specifying the Underlying Instrument and the quantity of Contracts for Difference that you wish to close. This must be done by you placing an Order for OTC Transactions which, if accepted, would Close Out the Contracts for Difference that you wish to close.
- (b) Upon receipt of notice of intent to close a Contract for Difference (by way of receiving your Order for Contracts for Difference), eToro Australia will use reasonable endeavours to provide a quote for the Closing Price (by way of indicating prices for Contracts for Difference which would, if agreed to, Close Out your open Contracts for Difference) and notify you of that quote (by the Online Service or otherwise). It is your obligation to notify eToro Australia as soon as possible as to whether you are willing to accept the Closing Price quote. If you accept the Closing Price quoted by eToro Australia, the Contract for Difference, or relevant portion of the Contract for Difference, will be closed by issuing you with a Contract for Difference which is equal but opposite to the open Contract for Difference, or relevant portion of the Contract for Difference, to be closed.
- (c) If the Underlying Instrument for the Contract for Difference is on terms that provide for its redemption, exchange or termination and you do not give notice to eToro Australia of your intention to Close out the Contract for Difference or to roll it over on terms and by the time acceptable to eToro Australia (whether or not you have any prior notice of that), you will be deemed to have given notice to eToro Australia to Close Out that Contract for Difference at the Closing Price reasonably determined by eToro Australia. In this case, eToro Australia will Close Out the Contract for Difference as at the time it determines.
- (d) At the Close Out, subject to clauses 3 and 8 of this Schedule 4, if there is a difference between the Closing Value and the Contract Value of the Contract for Difference (or portion of it closed under clause 7(b)) it must be accounted for in the following way:
- (i) if the Closing Value is greater than the Contract Value, the Short Party must pay to the Long Party the difference; and
 - (ii) if the Closing Value is less than the Contract Value, the Long Party must pay to the Short Party the difference.
- (e) If the issuer whose security represents the Underlying Instrument on which all or part of an OTC Transaction is based becomes externally administered in accordance with the meaning in the Corporations Act (or equivalent legislation), the OTC Transaction will be taken to have been Closed at that time. The Closing Price of the OTC Transaction will be determined by eToro Australia who may consider many factors it deems appropriate including, for example, the last traded price of the Underlying Instrument.
- (f) If the Underlying Instrument on which the OTC Transaction is based ceases to be listed for quotation on an Exchange, or is suspended from quotation for 5 consecutive Business Days, eToro Australia may, in its absolute discretion, without limiting clause 7(g) elect to terminate the relevant Contract for Difference Transaction. If eToro Australia elects to do so then:
- (i) the Closing Date will be deemed to be the date which eToro Australia determines (**Early Closing Date**); and
 - (ii) you will be treated as having given notice under clause 7(a) on the Early Closing Date.

- (g) If eToro Australia determines that the Closing Value of an OTC Transaction cannot be calculated on or with effect on the Closing Date for any reason, the Closing Value will be the value determined by eToro Australia in its sole discretion.
- (h) Without limiting clause 7(g), if at any time trading in the Underlying Instrument on an Exchange is suspended or halted at any time, eToro Australia will, in its absolute discretion in determining the Closing Value of an OTC Transaction, have regard to (but is not limited by) the last traded price before the suspension or halt.
- (i) All calculations made by eToro Australia in accordance with these Terms in the absence of any manifest error will be binding on you.

8. Settlement of Positions

- (a) Payments to be made to you with respect of any OTC Transaction must be made in accordance with this clause 8.
- (b) If an OTC Transaction is Closed Out in accordance with clause 7 **above**, or settlement for difference being made in accordance with clause 5 **above**:
 - (i) eToro Australia will credit to your (relevant) Account any amount payable by eToro Australia to you; or
 - (ii) subject to clause 8(c) below you must pay to eToro Australia any amount payable by you to eToro Australia in cleared funds in any such currency that eToro Australia may require immediately upon the payment request being made.
- (c) If there is any surplus Margin in your Account, any amount owing by you in accordance with clause 8(b) **above** will be settled in whole or in part by debiting your Account with eToro Australia.
- (d) If you request payment of any money owed to you under this clause 8, eToro Australia will deduct the amount of the requested payment

from your Account and pay you, electronically or in any other manner as agreed. Money owed to you that has not been the subject of any payment request by you will remain in your Account.

- (e) eToro Australia may offset any money owed to you under these Terms or any other agreement against any moneys owed by you under these Terms or any other agreement.

9. Adjustment Events

- (a) If the Underlying Instrument on which a OTC Transaction is quoted is subject to an Adjustment Event or possible Adjustment Event, eToro Australia will determine the adjustment, if any, that will be made to the Contract Value of that Underlying Instrument, the related quantity (or both) that would have placed the parties in substantially the same economic position they would have been in had the event not occurred. In the absence of any manifest error any adjustment determined will be deemed to be conclusive and binding on you.
- (b) eToro Australia may give you an opportunity to elect to participate in an adjustment to the OTC Transaction which corresponds with the Adjustment Event, but eToro Australia is not obliged to give you that opportunity, or give reasonable notice of it or make its terms correspond exactly with the Adjustment Event, nor is eToro Australia obliged to accept in part or at all any election you make to participate. Any adjustment will take effect at the time determined by eToro Australia.
- (c) If the Underlying Instrument is subject to a take-over offer or similar event, eToro Australia may at any time prior to the closing date of the offer provide you notice of eToro Australia's intention to Close Out the OTC Transaction, in accordance with clause 7, with the Closing Price being the price notified to you by eToro Australia.

- (d) If at any time an Adjustment Event occurs and it is not reasonably practicable as determined by eToro Australia in its absolute discretion to make an adjustment in accordance with clause 9(a) **above**, then without limiting 9(a) **above**, eToro Australia may at any time after the Adjustment Event Close Out the OTC Transaction. If this occurs you will be taken to have been provided with closing notice in accordance with clause 7 **above**, with the Closing Price being the price set by eToro Australia.
- (e) References to “offer”, “take-over” and “closing date” in this clause 9(a) **above** will have the same meaning given to them in the Corporations Act 2001.

10. Margin Requirements

- (a) This clause 10 supplements clause 15 of the Terms and only prevails over it to the extent of any inconsistency.
- (b) Prior to entering into an OTC Transaction with eToro Australia you acknowledge that eToro Australia requires you to pay cleared funds into the Trust Account as an Initial Margin and to maintain the minimum Margin Cover determined by eToro Australia in its absolute discretion from time to time. The Margin Cover requirements may be determined automatically by an Online Service. The required Margin Cover may change at any time, including outside of trading hours and without prior notice to you. The amount of Initial Margin required by eToro Australia and the time at which it is required will be at the absolute discretion of eToro Australia. eToro Australia is not obliged to permit any offset of any Initial Margin required by eToro Australia.
- (c) A Margin payment is credited by eToro Australia at the time cleared funds have been received into the Trust Account and applied by eToro Australia to your Account or such other time as allowed by eToro Australia so a Margin Cover requirement is not satisfied until your payment is received in cleared funds into the Trust Account and applied to your Account by eToro Australia.

- (d) You have an absolute obligation to maintain the amount of Margin Cover required by eToro Australia from time to time. Your failure to maintain the required Margin Cover is automatically a Default.
- (e) The Initial Margin requirement applicable in respect of any OTC Transaction may be increased by eToro Australia in its absolute discretion in respect of the time for payment and the amount of it. If there is an increase, eToro Australia may require that you pay eToro Australia additional cleared funds equal to such an increase.
- (f) Without affecting your obligation to maintain the required amount of Margin Cover, at any time in the discretion of eToro Australia you may be required by eToro Australia to pay additional Margin by paying eToro Australia cleared funds into the Trust Account.
- (g) Without affecting your obligation to maintain the required amount of Margin Cover, if eToro Australia requires additional funds from you to maintain the required Margin Cover you must maintain the Margin Cover by the time required by eToro Australia, which could be immediately.
- (h) Your payment into a Trust Account will not satisfy your obligation to make payment to eToro Australia in cleared funds, even if eToro Australia temporarily waives reliance on this term. The payment obligation is not satisfied unless and cleared funds are received for the benefit of eToro Australia.
- (i) In all respects, time is of the essence for all your payment obligations to eToro Australia.
- (j) If eToro Australia increases the required Margin Cover, you acknowledge and agree that eToro Australia may refuse any request by you to enter into any further Contract for Difference positions until eToro Australia has confirmed the receipt of the payment for more Margin in the form of cleared funds.
- (k) Any net positive amount of Margin credited to your Account will not

constitute a debt due by eToro Australia to you. Subject to you meeting all Margin Cover requirements, you are entitled to be paid by eToro Australia an amount equal to the Withdrawable Funds and, on being paid, there will be a corresponding reduction in the balance of your Account.

- (l) You acknowledge that your liability with respect to maintaining Margin Cover is not limited to the amount you initially or later pay eToro Australia. You authorise eToro Australia to withdraw or otherwise apply funds or Financial Products held for your benefit by eToro Australia in any Account, or funds in any Trust Account, to satisfy partially or fully any liability you have to maintain Margin Cover.
- (m) eToro Australia will have sole, absolute and unfettered discretion, as to the exercise of any power or right under this clause 10, including, without limitation, the calling of Margin.
- (n) Any power or right exercised by eToro Australia under this clause 10 will be binding upon you.
- (o) Any reference to time under this clause 10 includes weekends and public holidays.

11. Actions following a Default

- (a) Upon or after any Default occurs, eToro Australia, without prejudice to any other rights it may have under these Terms, has the right and power in its sole absolute and unfettered discretion and without necessity to give prior or any notice to you to do any one or more of the following:
 - (i) in accordance with clause 14 terminate these Terms;
 - (ii) Close Out all or any open OTC Transaction you may have as if you had given a closing notice to eToro Australia and had accepted the Closing Price determined by eToro Australia in accordance with clause 7;

- (iii) in accordance with clause 11(d) treat all or any open OTC Transaction as having been terminated by you;
- (iv) terminate any agreement or account whatever you have or may have with eToro Australia;
- (v) if there are insufficient funds in your Account to satisfy amounts owing to eToro Australia (including to maintain the Margin Cover), eToro Australia may cancel any outstanding Orders in order to close your Account;
- (vi) satisfy obligations that you have to eToro Australia out of any property belonging to you including, money or security in eToro Australia's custody or control including, without limitation, the Trust Account or by selling securities lodged by you with eToro Australia or setting off obligations such that security transferred as collateral is not required to be returned but instead the value of them (as determined by eToro Australia) is applied in calculation of the set-off of obligations and to enforce any asset or security held by eToro Australia in such manner as it sees fit at your risk and expense;
- (vii) transfer from your other accounts or the Trust Account, if any, such funds as may be required for that purpose to satisfy any obligation you may have to eToro Australia; and
- (viii) exercise any power or right that eToro Australia may have in accordance with these Terms or in law or equity or take any other form of action as the holder of an Australian financial services licence (AFSL) may be required to take.

- (b) eToro Australia does not forgo any of the rights outlined in this clause 11 incurred as a result of a delay in the exercise of such rights. If eToro Australia does not exercise any of its rights, it may do so at any time in the future.
- (c) If eToro Australia exercises its rights under clause 11(a)(ii), you authorise eToro Australia to Close Out the OTC Transactions, at your risk and expense as if you had given notice on the date that eToro Australia exercises its right, in accordance with clause 7.
- (d) If eToro Australia treats an OTC Transaction as having been terminated by you and eToro Australia exercises its rights in accordance with clause 11(a)(iii), eToro Australia will calculate the amount owing by you or by eToro Australia as if you had been given a closing notice and you had accepted the Closing Price determined by eToro Australia in accordance with clause 7. eToro Australia may debit from your Account an amount equal to the amount which would have been payable by you to eToro Australia had the OTC Transaction been closed at the Closing Price. It is agreed that this amount represents a reasonable pre-estimate of the damages incurred by eToro Australia.
- (e) Any action taken by eToro Australia in accordance with this clause 11 does not limit any other provision of these Terms and is without prejudice to any other rights which eToro Australia may have to any other remedy or damages.

12. Illegality

If any event occurs which has the effect of making or declaring it unlawful or impracticable for eToro Australia to offer or to maintain Contracts for Difference to you in accordance with the terms outlined in these Terms, eToro Australia may immediately terminate these Terms by providing you written notice of that. A termination of these Terms will also result in the closure of all Contracts for Difference in accordance with clause 11(c) as if it were a Default. Any such termination will not relieve you of any obligations you may have to eToro Australia in

accordance with these Terms prior to its termination.

For this clause, events include any change in law, regulation, treaty, order, official directive or ruling or in their interpretation or application by any governmental authority or agent, and the introduction, implementation, operation or taking effect of, any law, regulation, treaty, order or official directive or ruling.

14. Termination of a Contract for Difference

14.1 You acknowledge that eToro Australia may terminate a Contract for Difference (apart from any other right to terminate) if:

- (c) an Adjustment Event occurs and eToro Australia determines that it is not reasonably practicable to make an adjustment to the terms of a Contract for Difference under this Schedule;
- (d) the relevant Hedge Contract, or eToro Australia's rights under the relevant Hedge Contract or in respect of the relevant Reference Asset, are Closed Out, suspended or terminated by the Hedge Counterparty (which may occur automatically under the terms of any agreement between eToro Australia and the Hedge Counterparty); or
- (e) eToro Australia considers, acting reasonably, that the Hedge Counterparty or issuer of the Reference Asset may not be able to meet its obligations to eToro Australia

under the terms of the Hedge Contract or Reference Asset or other contracts between eToro Australia and the issuer of the Reference Asset or the Hedge Counterparty.

- 14.2 If eToro Australia terminates a Contract for Difference under clause 14.1 or otherwise, eToro Australia will determine a termination value, payable by eToro Australia to you or by you to eToro Australia, which eToro Australia

considers appropriate, acting reasonably, and having regard to the circumstances of termination, the value (if any) of the Reference Asset and the position as between eToro Australia and the Hedge Counterparty in respect of the Hedge Contract. The termination will take effect at the time determined by eToro Australia.
